Thank you for coming yesterday. It was nice to meet you in person. I hope that you made it to Springfield in time for their trial. I am sure we will see you again. Thanks

Thanks for letting me know - I'll look over the direct examination questions a little later (I'm not expecting any big surprises). See you tomorrow.

Case is still on for trial. I wanted to send you a sample direct examination. I am sure you have seen this before. But so you have a sense of what I am going to ask. Thank you and I will see you tomorrow.

I'm wondering if there have been any changes in the [REDACTED] case scheduled for trial on May 4, 2010, since I just received another summons for the same day in Springfield. If not, I will let that ADA know that I probably will not be able to make her trial unless it runs fairly late in the day. Thanks.
